

Amendments to the Specification

Please replace the description of Fig 3 on page 4 of the specification with the following replacement description:

Fig 3 is a flowchart giving the steps activities performed by the Finger Finder invention.

Please replace the paragraph on page 11 of the specification with the following replacement paragraph:

Fig 3 is a flowchart illustrating the steps activities performed by the Finger Finder invention, according to an exemplary embodiment of the invention.

Figure 3A shows the steps activities required for determining all of the groups and the strokes associated with the groups. Figure 3B shows the steps activities required for determining which groups are to be used for Finger Finding purposes. Figure 3C shows the steps activities required for determining the actual fingering positions on the instrument.
